

Dear Community Members and Business Owners,

We are excited to be planning the **2026 Pink Sundial Resource Fair on Thursday, October 15th, 2026 at 5pm-8pm at the Sundial Bridge**. Our objective is to help our community understand the importance of early detection, and to help inform cancer patients and survivors about the types of resources available in our area. This event is enthusiastically attended by our community, and includes a stage for local entertainment and guest speakers, resource booths, food trucks, and our local law enforcement agencies with their pink vehicles and swag.

We hope that your organization or business will join us in sponsoring and/or participating with a resource booth. If you choose to be a Nor-Cal Think Pink Sundial Resource fair sponsor then you will get a free booth at the event, plus the advertising as noted. Otherwise, we are asking for a \$100 donation for a booth. Money raised will help cover our costs for this community awareness event.

There is a 98% survival rate when breast cancer is caught and treated early!

Please respond by **July 1st** to sponsor and/or reserve your booth, booths will be limited to 25.
